THE MARK HOTEL

NEW YORK

themarkhotel.com

The Mark New York is ideally located in the heart of New York City's Upper East Side in one of the city's most prestigious shopping, cultural and socially trendsetting neighborhoods. This landmark building, situated right near Metropolitan Museum of Art and Whitney museum and Central Park and designed by Jacques Grange, is a carefully curated combination of modern avant-garde accents on old-world elegance with many of the hotel's original opulent history retained throughout.

Specifically designed for the most discerning of travelers, all of the hotel rooms incorporate state-of-the-art technology, that allows guests to control their environment with the touch of a fingertip. The exquisitely luxurious 152 rooms and suites include modern technologies yet traditional service-perfecting guests' overall experience. The HD television, Quagliotti bed linens, subzero mini bars, Crestron automation, and special therapeutic scents infusing the room will leave guests with the utmost personalized experience.

Spa services and private salons are also personally and exclusively available for guests to enjoy the ultimate in rejuvenation and pampering. The widely renowned Frederick Fekkai hair salon is available as is 24-hour concierge service and gym facilities all offered to enhance your stay.

Appetizing and refined dishes are available for guests at the Mark Restaurant by Jean-Georges, serving innovative European classics such as seafood platters complete with the finest of caviar. The world class menu with its emphasis on value and diversity will satiate all cravings. An all-day breakfast bar is available serving fresh pastries, sandwiches, and other specialties.

Don't miss the scooter rentals and free bike rentals offering a unique and creative way to explore the sites of this most eclectic city.
