8 INSPIRATIONAL INTERIOR- DESIGN TIPS FROM SPECTACULAR HOTELS AROUND THE WORLD

Give your home a wanderlust-worthy update with interior-design advice from the creative minds behind some of the world's most beautiful hotels.

By KATIE BERRINGTON

At New York's elegant Mark Hotel, when it comes to interior design, the main mantra is to focus on form as well as function

5

The Mark Hotel, *New York*

Owner of the elegant Upper East Side hotel Izak Senbahar has two short and simple rules to keep in mind when deciding on interior-design ideas: "Don't go for form over function or function over form. Hit them both," he says. "And remember: no shallow sinks."
