DEAR MARK,
I'M THINKING OF YOU AND
CHECKING IN. I MISS YOUR
AVOCADO PIZZA AND SIMPLY
GRILLED SALMON SO MUCH IT'S
A SIN. WHEN WILL WE SEE
EACH OTHER AGAIN?
I COULD IMMEDIATELY DEVOUR
♥

WES GORDON ♥
YOUR CARAMEL CORN SUNDAE,
MUCH TO MY CHAGRIN.
YOU'RE MY FAVORITE PLACE
IN NEW YORK SINCE WAY
BACK WHEN.
WHETHER AT THE DOOR, THE
BAR, OR THE FRONT DESK, THE
FRIENDLIEST TEAM IN TOWN IS
WAITING TO GREET WITH A GRIN.

For his favorite hotel, Carolina Herrera's creative director wrote a love note.
"Dear Mark, I'm thinking of you and checking in. I miss your avocado pizza and simply grilled salmon so much it's a sin. When will we see each other again? I could immediately devour your caramel corn sundaes, much to my chagrin. You're my favorite place in New York since way back when. Whether at the door, the bar, or the front desk, the friendliest team in town is waiting to greet with a grin. And your Jacques Grange lobby? It's how all my dreams begin. Promise—let's get together as soon as it's safe, raise a glass, and say 'cin-cin!' Lots of love, Wes."
