# The world's most amazing penthouse hotel suites

From rooftops with infinity pools and marble bathtubs to suites with soaring mountain views — these are the sky-high stays to dream about

The five-bedroom penthouse at the Mark, New York

## THE MARK

### **The Mark, New York**

Meghan Markle was so impressed with this suite — the largest in the US — that she held her baby shower at the £56,000-a-night, five-bedroom penthouse. It has a double-height ballroom and its huge terrace has the best treetop view of Central Park.
