

CONDÉ NAST TRAVELLER TRIPLE CROWN

Welcome to the most definitive collection of the best hotels in the world

Welcome to the most definitive collection of the best hotels in the world. Condé Nast Traveller's Triple Crown is like no other hotel list out there. It's the only one that represents three awards in one – our annual **Hot List**, for the best new hotels, **Gold List**, for the editor favourites, and **Readers' Choice** which are the best as chosen by our audience. Win all three and you are a Condé Nast Traveller Triple Crown property. That doesn't happen easily.

In this collection you'll find everything from the sleekest city hotels to the most exciting indie escapes, from all across the world. They may vary in scope and style but they are all exceptional. *Erin Florio, global features director*
