A new Hotel Hall of Fame has been revealed, celebrating the best establishments around the world with enduring appeal.

The spots that reign supreme have been listed by glossy holiday guru **Esquire**, and nine hotels have been added to the list for 2026.

That includes one UK hotel, as well as options from around the globe, spanning the US, **Italy**, **France** and more.

The top picks include a historic Parisian hotel, a celebrity-studded LA stay and a Lake Como resort with views straight out of a dream.

Here's a rundown of the Hotel Hall of Fame for 2026 - and how you can book a stay at one of the world's finest properties...

The Mark, New York, US

The Mark hotel offers 106 guest rooms and 47 suites, including the largest hotel penthouse suite in North America.

Located at the corner of Madison Avenue and 77th Street, it is just steps from Central Park and the city's most celebrated museums, galleries, and boutiques.

Lucky guests - with bank accounts to match - can book a stay in the hotel's penthouse across the entire top two floors. The Mark is celebrating the world's biggest sporting event with a **four-night stay for the World Cup final**, complete with tickets to the match and helicopter rides.

And all with a price tag of \$1 million (£743,000).
